

No Money -

No Fun...

Dear Friends of the Arabian Sports Horse

Many people only talk about the promotion of the Arabian as a sport horse of all levels – we are acting. Therefore we would like to ask you for your help, to ensure that also this year's

5th ECAHO European-Championship for purebred Arabian Sports Horses on 4-6 August 2006 at Stadl Paura / Austria

will be a success.

The Arabian Horse is a versatile riding horse, no matter which discipline you prefer – this is, what we would like to prove with this event. But a sports event with 18 different disciplines in 45 classes costs a lot of money. That's why we need sponsors.

The sponsorship scheme offers opportunities for everybody – from 50,-€ to 5.000,- €. We are convinced that these possibilities, and especially advertisement in the catalogue, are aiming at the right target group – the RIDERS – if you wish to sell a ridden Arabian!

Fifty percent of the income of these sponsorships will go the organiser to cover his expenses, the other fifty percent will be given as prize money for the riders. Some of the participants are covering more than 2000 km to be part of this event! This much enthusiasm must be rewarded.

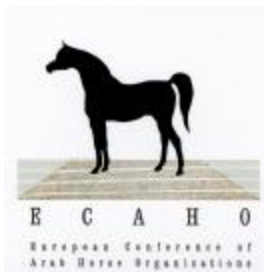

We would be very happy to hear from you and hope for your support.

ECAHO

More details about the event, such as timetable, the disciplines offered, etc., you'll find in our Invitation leaflet; the schedule of the event and more details about the disciplines, patterns, heights and widths of the obstacles, you'll find on our internet page at www.ECAHO.org (go to „Online Office“.)

If you have any further questions, please don't hesitate to contact us:
